

HIV STAR Research Workshop
7th – 8th July 2016
Lucas Room (LG 81), LSHTM, Keppel Street, London WC1E 7HT

Research workshop objectives

During this workshop, we will:

- Review progress on all STAR research since the consortium meeting in April 2016
- Review preliminary data from the CPS and discuss next steps for this protocol
- Discuss priorities for research in phase II
- Clarify plans for publications and dissemination of data and findings
- Plan the TAG meeting in July 2016 and discuss progress on the February 2017 symposium
- Discuss analysis plans in advance of the TAG meeting in July 2016

Documents to review before meeting

- Previous HIV STAR project fortnightly bulletins
- One-page research overview for phase I and phase II
- Analysis plans (if participating in this discussion)
